Sunday, November 1st, 2020

Dear Parent(s)/Guardian(s),

It was fantastic to see such school spirit as students shared their costumes, participated in art activities, solved problems in virtual escape rooms, and danced in socially distanced DPA activities with their class. I hope yesterday evening was safe and fun for all. Please see the information below for updates and information for the upcoming week of November 1st, 2020.

Google Meet Information

A reminder that students must be online for attendance at 8:25 am and 12:20 pm **with their camera on**, in order to be marked "present" in the attendance. Also, if your child is going to be absent, please **report your child's absence** using the Safe Arrival line or app **prior to the 8:25 am cut off time**. Lastly, **only students** should be on camera.

Please see the latest email from our Director of Education, Ms. Maria Battista that was sent this week for more information.

Treaties Recognition Week

Ontario is covered by 46 treaties and other agreements. The YCDSB is committed to changing the future by rebuilding relationships based on trust and respect. Part of that commitment includes educating our school communities about the role treaties play in each of our lives and in our relationships with each other. This week, as a school, we will be participating through prayer over our morning announcements.

Progress Report Updates

Progress Reports will be going home on Friday, November 20th with parent-teacher interviews to take place the following week. More information on parent-teacher interviews will be communicated as it becomes available.

Crazy Socks Day In Support of Autism Awareness

On Monday, November 9th, 2020 we are encouraging our school community to wear their favourite, colourful, and creative socks in support of Autism Awareness.

Yours in Catholic Education,

Mr. A. Modica

Principal
