March 4, 2021

Dear Parents of Grade 2 and 7 students,

We have invited families to register their children for first communion and confirmation. Some have done this, but we are certain not all. We will be inviting the families who have enrolled to parent meetings for both sacraments in the near future. This invitation will go out to those who have enrolled by Friday, March 12th.

We remind you that this year enrolment is online. Go to downloadable forms on the parish website, and there is a PDF or a Google form which you can complete and send to the parish.

For those who have already enrolled we have your form. For those who are opting to wait, we will connect with you once this cohort is completed the sacraments.

Sincerely,

Fr. Frank McDevitt
