June 18th, 2021

Dear Parent(s)/Guardian(s),

As I mentioned in last week's parent communication, I am happy to share our student/parent retrieval plan with you. As you know, the Ministry of Education announced that schools would be able to plan opportunities for students to connect with their peers and teachers at the end of the school year with public health restrictions in place. With this in mind, please see the plan below for families to retrieve and drop-off items at the school as well as for students to see their peers and teachers on **Tuesday, June 29th, 2021**.

Preparing For Student Item Pick-Up

Staff will be preparing for the retrieval of items on the afternoon of **Tuesday, June 22nd, 2021**. For this reason, teachers will be posting work on their Google Classroom to be completed **asynchronously for the afternoon**. Synchronous learning will still take place in the morning. Please refer to the Google Classroom for teacher's instructions and activities.

Student Item Pick-Up Day: Tuesday June 29th, 2021

To mitigate congestion in the parking lot, please follow the schedule below and families are encouraged to walk if possible. Parents can drop off students and then return at their pick-up time.

To enter the building, students will meet at their designated entry door upon arrival at their scheduled time. Teachers will greet the students and escort them to class while observing all COVID-19 protocols. Masks are required at all times for our students in Grades 1 to 8 and physical distancing and hand hygiene must be maintained.

No food is allowed at any time and at the end of their scheduled time, teachers will return the students outside to their designated line for parent pick-up.

Parents are kindly asked to refrain from congregating on school property and to also wear a mask while on school property. We kindly request that you drop off and pick up children promptly.

Drop-Off of Items

On Tuesday, June 29th, 2021 students will also have the opportunity to return any borrowed Chromebook devices as well as textbooks, guided reading books, and library books. They can be returned directly to the classroom during their scheduled time. We kindly ask that the technology is returned in a labeled plastic bag.

Remote Classes

Our fully remote classes will continue remotely and have an opportunity to say good-bye virtually on June 29th, 2021.

If you have any textbooks or technology to return, please do so according to the schedule below. There will be a table set-up at the front of the school for the drop off.

Before Arriving

To be permitted on school grounds, staff, students, and visitors must:

1. Conduct a self-assessment for COVID-19 before arriving at school; and
2. Be symptom free of respiratory illness; and
3. Have not travelled outside of Canada within the last 14 days; and
4. Have not cared for or had known contact with an individual with confirmed COVID-19 or COVID-19 like symptoms (fever, new cough, difficulty breathing).

If any of these conditions apply, then staff and visitors are prohibited from coming to the school.

All staff will wear PPE in accordance with our Health and Safety Guidelines. Students in Gr. 1 to 8 must wear a mask on school property as do any parents/guardians on school property.

I understand that some families may not be able to participate on this day.

If you would like to make arrangements to pick up personal belongings on June 29th, 2021 please email me directly next week to arrange a time. We look forward to seeing our students on **Tuesday, June 29th**.

Kind Regards,

Mr. A. Modica

Principal
